### III. GRANT APPLICATION QUESTIONS:

1. Identify and describe the site at your school where you want to plant trees. Why do you feel trees would benefit this location? (Please include 3-5 pictures of the planting site).

2. Describe the expected outcomes from this project. How would additional trees help your school? Will they be used for educational purposes?

3. We would like to engage as many students as possible during the planting day. How many students, teachers, and staff do you expect will participate in tree planting? How will they be involved? (Projects that include multiple classes or even a whole school day of planting will be given highest priority)

4. Have you considered potential challenges or physical obstructions in the area of the planting? *(e.g., power, gas, or water lines, property restrictions, etc.)*. Will you invite Blue Stakes (\*811) to highlight utilities on the site before planting? Please describe any surrounding restrictions.

5. How will you water and maintain these trees after the initial planting? *(This includes mulch replacement and water needs)*.

6. How will TreeUtah be acknowledged for its contribution to your project? *(This may include press releases, newsletter articles, photos on your website, etc.)*

7. Please provide a schedule for the tree planting. *Include details regarding how you will prepare for the event. Explain what will be done to ensure the success of the tree planting project and who will be responsible for each activity.*

8. Does your school have matching funds to purchase additional trees or materials?

9. Is your school considered a Title I school? **YES / NO**

**Submit application with “*School Tree Planting Grant Application*” in the subject line to [jack@treeutah.org](mailto:jack@treeutah.org) and include:**

1. This completed form
2. Photos of proposed planting site and surrounding landscape features (3-5 photos are usually sufficient)

**For the Fall grant cycle, applications received *before October 1st* will be prioritized.**

**For the Spring grant cycle, we will prioritize applications received *before March 1st*.**
